Comments:

1. Add more pages
2. Home page is missing (welcoming page in this you can find like search bar, Booking history, any special offers)
3. more features in user profile
→ like phone number, Address
4. Vehicle catalog → Add size (4, 6 members)
→ Type (Bike, car etc)
5. vehicle catalog → Add filter and sort option
(user can easily find the vehicle)
6. Add cancellation page
7. Add vehicle detail page
→ details about vehicle (and images)
8. contact us page → In case of any problem users can contact them
9. Booking and reservation page:
No need of vehicle availability
10. language option

review : 2

- 1) vehicle details: detailed descriptions of each vehicle including images, specifications availability and pricing
 - 2) add cancellation form and vehicle booking form
- features: forgot password link, error handling for invalid credentials.
- add forgot password form
- booking management form
- Booking id
- Email or phone no
- vehicle information
- duration time

ii) vehicle catalog
